01291 672621

Carpenters Arms Luxury celebration Hog Roast.

We've been doing hog roasts for over 15 years, they are huge, filling, hugely popular and of course delicious. Here's what they entail:

Enough roasted hog to overfill you guests and then some. We carefully cook to melt in the mouth perfection. It is then pulled (so no unsightly hog for your guests to stare at!) and served in huge heated bain maries so it can stay piping hot for much longer, in its own roasting juices.

Accompanied by...

Crackling / soft white rolls / cider and apple sauce / bacon and onion stuffing / pasta and pesto salad / red cabbage and blue cheese coleslaw / potato salad.

They are a fantastic way to feed a big party great fun, super tasty and most of all satisfying huge amounts of food. It is, of course, all made in house by our talented team of chefs.

Please call with your numbers to check prices, discounts may be available for larger parties.
